Price list-Led Tube Grow Light T8

Features:

- 1. Use Original Epileds/ Sanan SMD 2835 LEDs,
- 2. High Par/PPFD output: 200 umol/m2/s (max.), PPF efficacy: 2.3 umol/J
- 3. Standard T8 model, waterproof, OEM/ODM design acceptable

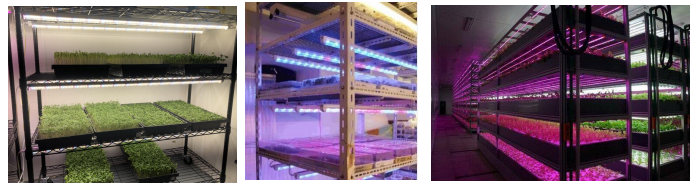

Waterproof

Application Range:

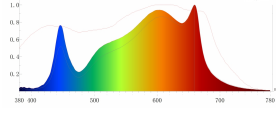

- 1. seedling/propogation/cloning;
- 2. vegetative
- 3. flowering/fruiting
- 4. vertical farm/growth chamber/plant

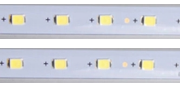

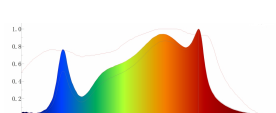

Model: T8 Tube IP65 (Waterproof)

(Series A)Single Layer PCB Version

Item No.	Product Photo	Size	Description	Power Consumption	Spectrum Reference	Unit Price/\$ USD		
						1~50 pcs	50-200 pcs	≥ 200 pcs
EG-Tube-60CM-15W-A		0.6 Meter	Single PCB Single End T8 Grow Tube Led Quantities: 81 PCs Input Voltage: 100-265V Beam Angle: 120 degree PF≥ 0.9 Ingression Rate: IP65 PPF: 20 umol/s Packing: 645*250*210MM 25 PCS / Carton Gross weight: 5KG/CTN	15W±5%	 Spectrum Ratio: 3500K:6000K:660=6:2:1	\$6.90	\$5.90	\$5.30
EG-Tube-90CM-20W-A		0.9 Meter	Single PCB Single End T8 Grow Tube Led Quantities: 108 PCs Input Voltage: 100-265V Beam Angle: 120 degree PF≥ 0.9 Ingression Rate: IP65 PPF: 25 umol/s Packing: 945*250*210MM 25 PCS / Carton Gross weight: 6KG/CTN	20W±5%	 Spectrum Ratio: 3500K:6000K:660=6:2:1	\$7.30	\$6.90	\$5.90

EG-Tube-120CM-24W-A		1.2 Meter	Single PCB Single End T8 Grow Tube Led Quantities: 144 PCs Input Voltage: 100-265V Beam Angle: 120 degree PF≥ 0.9 Ingression Rate: IP65 PPF: 30 umol/s Packing: 1245*250*210MM 25 PCS / Carton Gross weight: 10 KG/CTN	24W±5%	 Spectrum Ratio: 3500K:6000K:660=6:2:1	\$8.90	\$7.70	\$6.90
---------------------	---	-----------	---	--------	--	--------	--------	--------

**(Series B) Dual Layers PCB Version with Higher Power/PPFD Output**

Item No.	Product Photo	Size	Description	Power Consumption	Spectrum Reference	Unit Price/\$ USD		
						1~50 pcs	50-200 pcs	≥ 200 pcs
EG-Tube-60CM-18W-A		0.6 Meter	Dual PCB Single End T8 Grow Tube Led Quantities: 162 PCs Input Voltage: 100-265V Beam Angle: 120 degree PF≥ 0.9 Ingression Rate: IP65 PPF: 40 umol/s Packing: 645*250*210MM 25 PCS / Carton Gross weight: 5KG/CTN	18W±5%	 Spectrum Ratio: 3500K:6000K:660=6:2:1	\$9.40	\$8.20	\$7.50
EG-Tube-90CM-27W-A		0.9 Meter	Dual PCB Single End T8 Grow Tube Led Quantities: 216PCS Input Voltage: 100-265V Beam Angle: 120 degree PF≥ 0.9 Ingression Rate: IP65 PPF: 60 umol/s Packing: 945*250*210MM 25 PCS / Carton Gross weight: 6KG/CTN	27W±5%	 Spectrum Ratio: 3500K:6000K:660=6:2:1	\$10.90	\$9.50	\$8.70
EG-Tube-120CM-36W-A		1.2 Meter	Dual PCB Single End T8 Grow Tube Led Quantities: 288 PCs Input Voltage: 100-265V Beam Angle: 120 degree PF≥ 0.9 Ingression Rate: IP65 PPF: 82 umol/s Packing: 1245*250*210MM 25 PCS / Carton Gross weight: 10 KG/CTN	36W±5%	 Spectrum Ratio: 3500K:6000K:660=6:2:1	\$12.30	\$10.80	\$9.90

**Trade Terms**

- 1) No MOQ for the standard model above
- 2) Trade Term: EXW(Shenzhen). FOB, CIF also negotiable
- 3) Payment Terms: Paypal, Western Union or T/T in advance
- 4) Delivery Time: for sample: 3-7 days upon receipt of payment, for bulk order: 10-23 days upon payment
- 5) Transportation Term: By Express, by air or by sea Shenzhen/Hongkong Port
- 6) **30 days validity for price**

**After-sale Service&Customer Complaint Feedback**

**After-sale Service**

1. We offer 2 years warranty since date of purchase, within warranty period, we offer repairing for the returned failed products.
2. Please kindly note circumstances as follow are excluded from free repairing:
  - The products wasn't operated according to manual book
  - Artificial imposed quality problems
  - Self-transformation cause product's failure

**Customer Complaint Feedback**

Thanks for purchase Our products, to improve our product quality and service, please kindly leave us your valuable comment
